

Standard Wax Ribbon

TDW108G

BARCODING THE WORLD

TDW108G, as a standard wax ribbon, has been recognized by global customers for more than ten years for its good printing performance, wide range of substrate compatibility and competitive price. Low printing energy consumption and improved backcoating greatly protect the printer's print heads and effectively extend the service life of the print heads.

- Excellent Darkness
- Broad Substrate Compatibility
- Low-temperature Printing
